Sangiovese Salento IGT 2015

Region: Puglia
Varietal: Sangiovese

Tasting Notes:
Profound red/purple hue, vinous in character with notes of cherry, Soft-fruity taste.

Food Pairing:
Pizza, pasta, grilled meat and game.

The Salento area, influence of the sea together with modern technologies and passion in wine making allow a constant production at an excellent level. The "Indigenous" vines Negroamaro, Malvasia and Primitivo are destined to the region's typical wine production. An accurate selection of grapes before crushing, a temperature control along all the vinification stages and mindful care in the refinement guarantee quality wine from this region.
